Dear Sir:

In confirmation of Applicant's previous election, and in response to the Office Action re-mailed on June 28, 2007, Applicant elects with traverse claims 1-12, or Invention I as defined by the Examiner. A copy of Applicant's previously submitted response to the Office Action mailed August 14, 2006 is attached hereto.

It was determined, following a courtesy call from Examiner Chapman, that Applicant never received the Office Action dated November 29, 2006. The November 29, 2006 Office Action was sent to the law firm of Pillsbury Winthrop Shaw Pittman, LLP in McLean, Virginia, despite Applicant having filing a Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address on September 13, 2004.

Examiner Chapman indicated that the November 29, 2006 Office Action would be re-mailed, and the period within which to respond re-started. Instead, the Office Action of August 14, 2006 was inadvertently re-mailed, to which Applicant had already responded. The undersigned contacted Examiner Chapman and advised of this error. Examiner Chapman indicated that Applicant should re-send the previous response and election in response to the re-mailed Office Action dated June 28, 2007, and that another Office Action would then follow.

Accordingly, Applicant submits herewith its previous response submitted September 11, 2006, which is responsive to the current outstanding Office Action. It is believed no other submissions are required at this time.

Examiner Chapman is thanked for her attention to this matter, and her efforts in resolving this administrative error. It is believed that no fees are due with this submission. Should that determination be incorrect, then please debit Account No. 50-0548 and notify the undersigned.

Respectfully submitted,
